"...Main achievement is in agreement about the basics..."

– M.

ABSOLUTE

Def: Absolute - the totality of all imaginable and unthinkable.

The simplified formula of Absolute: "Anything can be..."

GOD

Def: God is a model of an individualized loving Absolute.

The simplified formula of God: "Everything exists as conscious parts of the conscious One united by Love."

VIBRATION

Def: Vibration - a model of any causal phenomenon.

The simplified formula of vibration: "Everything You can think about is vibration"

SIN

Def: Sin is an action or inaction that causes chaos ¹.

¹See the "Chaos"

A simplified formula for getting rid of sin: "Act in conscience".

GOOD

Def: Good - activity that strengthens the Heart.

The simplified formula of doing good: "Create for the Common Good."

NATURE

Def: Nature is a vibration inherent in the Heart of every creature.

Simplified formula of nature: "The simplest, which is the most difficult to find."

CAPACITY

Def: Capacity - the ability of every creature to contain an infinite number of parts.

Simplified formula of capacity: "You are in everything and everything is in You."

LIFE

Def: Life is the revelation of the Spirit in Matter.

The simplified formula of life: "There is no consciousness without life and there is no life without consciousness" ².

EVIL

²See the "Consciousness"

Def: Evil is a betrayal of Life for the sake of sin ³.

A simplified formula for getting rid of evil: "Love Life!"

HIERARCHY

Def: Hierarchy - the principle of Creation ⁴.

Simplified formula of the Hierarchy: "Choose the main thing by the Heart"

KARMA

Def: Karma is the property of any vibration to interact with similar vibration effectively.

A simplified formula of a good karma: "Follow your own Nature" ⁵.

LOVE

Def: Love is the Power constituting the unity of the Creation⁶.

The simplified formula of Love: "The meaning of life is realized by Love."

MONAD

Def: A Monad is the indivisible according to human notions nature of the Heart of every creature.

Simplified formula of Monad : "I am a Monad."

³See the "Sin"

⁴See the "Criation"

⁵See the "Nature"

⁶See the "Creation"

PRINCIPLES

Def: The male and female Sexes are the inhaling and exhaling of one and the same vibration.

Simplified formula of the Sexes: "To find happiness, you need to find your missing part."

OM

Def: OM is a consonance corresponding to the manifestation of consciousness in Matter.

The simplified formula of OM: "MOnada collects consciousness".⁷

TRUTH

Def: Truth is the interpretation of Reality.

Simplified formula of truth: "Do not distort the mirror of Your soul."

JOY

Def: Joy is a state of sincere approval of the reality being experienced.

Simplified formula of joy: "The best place to be is where we are."

CONSCIOUSNESS

Def: Consciousness is a cyclical self-consistent change of information in feedback with the kernel holding it. This kernel is the Heart of Consciousness.

⁷See the "Consciousness"

Simplified formula of consciousness: "Con (together) scio (to know)"⁸.

CREATION

Def: Creation is the body of God⁹ and the antipode of Chaos¹⁰.

The simplified formula of creation: "Whatever you do, you create the body of consciousness."

TEACHING

Def: Teaching is a way to transmit the state of the enlightened consciousness.

The simplified formula of the Teaching: "Wish to understand your nature!"¹¹.

FORM

Def: Form is the body for spirit that enlivens it.

Simplified formula of a form: "As within, so without."

CHAOS

Def: Chaos is the power of that which has not yet been ordered, or has already been ruined.

Simplified formula of Chaos: "Chaos in a closed system increases¹² - look for a way out in the Hierarchy¹³"

⁸Latin

⁹See the "God"

¹⁰See the "Chaos"

¹¹see the "Nature"

¹²see the Second law of thermodynamics

¹³see the "Hierarchy"

GOAL

Def: The goal is a measure of awareness.

Simplified formula of Goal: "In Entire, all goals converge."

CHAKRA

Def: Chakra is a conscious part of a conscious whole.

Simplified formula of Chakra: "The character of a large consists of many characters of small".

SHAMBALA

Def:

Shambala is the agency of the Creation Hierarchy on Earth¹⁴.

The simplified formula of Shambhala: "May the world be well!"

EVOLUTION

Def:

Evolution is the knowledge of how the World is developing, accessible to the human consciousness.

Simplified formula of Evolution: "Anything that does not develop is decayed."

YUGA

Def:

The Yuga is a period of favorable or unfavorable development opportunities.

Simplified formula of yuga: "In order for predetermined

¹⁴See the "Hierarchy"

to happen or not to happen, you need to fight."

I

Def:

I am nothing that is equal to God ¹⁵.

Simplified formula of I: "This is an immortal consciousness, which manifests itself through the mortal consciousness."

¹⁵See the "God"
